

BARNET

CORPORATE SOCIAL RESPONSIBILITY

Commitment to the Future

CORPORATE STATEMENT

Barnet Products is committed to conscious progress of environment sustainability and social responsibility. Barnet will make an impact through our employees, partnerships, product development and supply chain. Barnet embraces the opportunity for global participation to bring added value to customers and the world at large through the Barnet Corporate Social Responsibility (CSR) Initiative.

LIFESTYLE

The Barnet Lifestyle begins at the foundation with a focus on our most valuable asset...our people.

- Health and Wellness
- Training, Development & Engagement
- Inclusivity
- Work/Life Balance
- Volunteering

ENVIRONMENTAL

Barnet embraces the responsibility of being consciously aware of resources consumed and devoted to reducing our overall impact.

- Global Responsibility
- Corporate Responsibility
- Global Innovation Center Responsibility

PRODUCTS

At our core, Barnet strategically crafts ethical products with an emphasis on traceability, transparency and social awareness while remaining a driver in innovation creating high performance products.

Unsustainable practices, such as deforestation, can have negative impacts on the people and surrounding environment. Barnet is committed to using only the most ethical and responsibly sourced materials.

Barnet works to utilize palm oil and/or palm kernel oil with only RSPO (Roundtable on Sustainable Palm Oil) Mass Balance (MB) certified palm or superior (Segregated or Identity Preserved). Barnet is committed to No Deforestation, No Peat, No Exploitation (NDPE).

- No Deforestation
- No New Planting on Peatland
- No Exploitation of the Local Populace
- Transparency
- Certifications/Industry Standards
- Conscious Product Development
- Waste & Upcycling

EcoVadis

Barnet Products has been awarded an EcoVadis silver medal in recognition of our sustainability achievement.
